Updates from Florida SARC HQ to our volunteers

Naples - we are coming back! Join us on May 14th and 15th for Level 2 - Operations

Don't miss your chance to join us back at Humane Society Naples for Level 2 - Operations! These classes don't come around often, so if you are ready to take your Level 1 training up a notch and take on a leadership role in a disaster situation, please make every effort to join us!

We know we have some very talented recent Level 1 graduates, and you do not have to have deployment experience to take advantage of this Level 2 opportunity. A full list of pre-requisites [can be found here.](#)

We are offering this class at **no charge** to those who have completed Level 1 (Awareness) - use code **AWARE** at check out to waive the fees.
